Dear Friends,

- **Where?** Online per zoom (all members will receive a link automatically)
- **What?** The formal invitation with an agenda will be sent out on 1/10/22 (1 month before the general assembly, as regulated by the statutes), but it will include the election of the board members, as well as the election of the representative of the Friends for the board of ECA!

Call for candidates

At this General Assembly, the members will be able to elect new board members. We look for candidates who want to contribute to the further development of the Friends of the European Choral Association, as a community of individuals and choirs who support the work of the European Choral Association.

The board consists of 4-6 members of the Friends and cooperates in close cooperation with the European Choral Association. According to our new statutes, the composition of the board will be as follows:

- **2 board members** will be **appointed** by the board of the European Choral Association
 - The 1st will be appointed before the General Assembly and members will be informed who that will be by September 30th, 2022
 - The 2nd will be appointed after the General Assembly and elections
- **minimum 2 maximum 4 further board members** will be **elected** by the General Assembly

For further information consult the statutes of the Friends of the European Choral Association [HERE](#).

If interested, you can submit your candidature by mail to info@friendsofecfa.or by **30/9/22** with:

- A CV
- A short motivation letter: Why would you like to join the board of the Friends? What is your vision for the Friends in the coming years?

- In the motivation a statement whether you would also like to be a candidate to being elected as the official representative of the Friends of the European Choral Association in the board of the European Choral Association

You have to be a member of the Friends of the European Choral Association (individual or a person nominated by a legal entity that is a member) and your membership fee 2022 has to be paid **by 30/9/2022**.

If you have questions on the election or the board, please mail to info@friendsofecca.org

Online elections – Election of the executive board

The elections will take place online in the month leading up to the general assembly.

- All those who are members of the Friends of the European Choral Association and have paid their membership fee 2022 **by 30/9/22** will automatically receive a link to the online voting system
- All candidates will present themselves online (or through their video) **on 12/10/22** between 17.00 and 19.00 CEST and members will be able to ask them question
